

DMV RESOURCE LIST

This is a list of local resources that people with a history of cancer in the DMV area have found helpful – although eligibility is not restricted to cancer patients for many of the resources. To view this list online, scan the QR code to the right with your Smartphone's camera.

DON'T KNOW WHERE TO START?

- For assistance with navigating benefits and accessing community support services:
1. Contact **Leadership Council for Healthy Communities** for support navigating services (202) 248-5088.
 2. Check with your **health insurance**, most offer benefits navigation services.
 3. **United Way financial empowerment center**, dial 211 for support or drop into one of 5 drop-in locations throughout D.C.
