

## Publication Support Award Interest Form

Member Name:

GWCC Research Program (CCHE, CBIP, or CTOP):

Date:

Target Journal:

Anticipated Costs:

Where is this manuscript currently in the submission process?

### Eligibility Questions

1. Does the manuscript have two or more GW Cancer Center faculty authors from GWCC research programs (CCHE, CBIP, or CTOP)?

Yes    No

Please list the authors:

2. Are you a primary investigator or lead/senior author on the manuscript?

Yes    No

3. Is the manuscript original research (not a review, commentary, letter to the editor, or case report)?

Yes    No

4. Does the research align with the GW Cancer Center's mission and priorities (cancer research, prevention, treatment, or policy)?

Yes    No

5. Do you have access to other sources of funding to cover publication costs? Please explain.

Yes    No

**Submission Requirements:**

- A copy of the manuscript must be submitted with this form.
- Once available, a copy of the page charge invoice must be submitted to GWCC administration.
- Submit this completed GWCC Publication Support Award Interest Form along with a copy of the manuscript (and page charge invoice, if available) to your Research Program's Associate Center Director (ACD).
- Upon ACD support, the materials will be forwarded to Cancer Center Administration (route forms to Ashley Boll at ashley.boll@gwu.edu) for review by the Cancer Center Director.
- Upon GWCC Director approval, GWCC Administration will coordinate with the applicant to manage payment details.

**Preference is given to:**

- Research that addresses GWCC's catchment area (D.C. and surrounding M.D./V.A. counties)
- Research that utilizes GWCC shared resources
- Research involving multiple GWCC authors who have not frequently collaborated in previous publications
- Research including junior investigators or trainees (e.g., from T32 training program, extramural grants)
- Actively participating GWCC members as evidenced by attendance at least 50% of Research Program meetings annually and regular participation in GW Cancer Center activities such as Center lectures, retreats, and events

**Funding Allocation:** Funding is available to support 2 awards each quarter.

**Expenditure Guidelines:** Awarded funding can be used to cover costs associated with publication, including fees for open access, page charges, etc.

**Deadline:** Rolling

**Review:** Selections will be made by the Cancer Center Director in consultation with appropriate Associate Center Directors.
